

(0. Clarification of yesterdays comment from Denmark): DK: Denmark has no further editing instructions to the dispositions from ECMA regarding the Danish comments as stated in the document N980 of 14th. January. Denmark would like to instruct the editor to apply his disposition of comments as proposed in N980.

1. Resolution: With specific response to DK-0010 through DK-0022 and DK-0041, all relating to "compatibility settings" Denmark would like to request for the acceptance of editors disposition on this subject as captured by response 122, 123, 124, 125, 126, 127, 128, 129, 130, 131, 132, 133 and 993.

Best regards,

Pia Elleby Lange
